Activities Information

Since graduating from high school, have you pursued any volunteer activities, work experiences, or leadership of student organizations that were specifically related to reducing social, educational or economic disparities based on race, ethnicity or gender, or to improving race relations in the U.S.?

☒ Yes ☐ No If yes, describe briefly. (limit 500 characters)

I have joined 2014 & 2015 Shanghai Marathon volunteer work and used my English and Japanese skills to help foreign match attendances. I am member of our school's Japanese association, which often holds activity with Japanese students. Also, as a student in IEEE honor class, I often have my course projects with students from the USA, and have a nice relationship with them.
